Artist Solicitation

The City of Goose Creek invites graphic artists to submit applications for their design(s) to be utilized to wrap existing traffic signal cabinets at selected signalized intersections throughout the City. The metal cabinets are located on visible corners of certain intersections and are similar in size and shape, (template provided upon request, but we are able to recreate just about any art piece for the wrap). A list of the intersections being considered for wraps is included. The graphic design will be printed on a vinyl wrap and applied to the box.

- Artists will receive a \$250 stipend paid by the City of Goose Creek upon installation of the wrap
