

Addendum #1

Date: February 26, 2025

Bid Date: March 17, 2025

Project: Grass Cutting 2025

Questions & Answers

- Maps given to everyone of all the parks except the Amphitheater.
- This is a one (1) year contract. We may look at a multi-year contract next year when we add new locations.
- Most are neighborhood parks with playground equipment
- Crowfield Pool – You will be responsible for inside the fenced in area for the pool and tennis courts. You will also be responsible for 1 – 2 passes around the fence and in between the two fenced in areas.
- Creekside Park has a playground to cut around.
- Maintain weekly.
- Amphitheater the area that is required is the black fence line by PD down to the walking path over to the other black fence line on the Activity side. Small grass area up front by the picnic area. Blow the picnic area.
- No restrictions of the day of the week the work is to be completed at each park. We will ask if we are having an event that the grass is cut before the event that week.
- We will supply a calendar of events to the contractor that is awarded.
- Keys will be supplied to any park that has a gate that is locked.
- Contract will run from April 1, 2025 to October 31, 2025.
