

Special Event Permit Application

The organizer of a special event must fill out the application and return it to the Permits Department no less than 30 business days prior to the start of the event. A non-refundable application fee will be charged based on the attached fee structure. (See page 15)

What is an Event on Public Property?

Any parade, performance, block party, festival, filming, open event or other announced public gathering upon any property owned or controlled by the City, such as a property leased by the City, or any public street or right-of-way within the City

Goose Creek Municipal Code Section 72 provides the framework and guidance for the issuance of Special Event Permits within the City of Goose Creek that are held on public property, City property, or public rights of way. A permit will not be approved for the primary purpose of advertising a product, goods or services, or is designed to be held primarily for profit.

Event Priority

City Sponsored Events

City of Goose Creek events have priority in use of any city property or right-of-way. Other applications for Special Event Permits are processed in order of receipt, and the use of a particular area is generally allocated in the order in which fully executed applications are received, and in accordance with considerations the City Administrator uses in deciding on the issuance of a permit.

Annual Events

Applicants who have held an event in the previous year have priority for the same time and location. This right shall not apply if the event did not follow set guidelines the previous year.

Permit Process

The permit application process begins when you submit a completed Special Event Permit Application to the City of Goose Creek. ***Keep in mind that receipt of your application should in no way be construed as final approval or confirmation of your request.*** A representative from the City will contact you upon receiving the application and thereafter will serve as your primary point of contact for the processing of your permit. Copies of the application are forwarded and reviewed by all affected City departments and/or public agencies.

You may be contacted individually by these departments or agencies only if they have specific questions or concerns about your event. Throughout the review process you will be notified if your event requires any additional information, permits, licenses or certificates.

During the initial application reviewing process, you will be allowed time to provide us with all pending documents (e.g., certificate of insurance, secondary permits, etc.). These items must be received before issuing a Special Event Permit. Delays in providing these items often delay our ability to finish our review process and approve your application in a timely manner. Due to the many changing components of an event, in most cases, Special Event Permits are issued only a few days in advance of the event date. A denied application may be authorized by the City Administrator under different conditions from that requested by the applicant.

Costs of Services/and Equipment Provided by City

The City may impose reasonable fees and requirements upon the applicant as are necessary to cover the cost of public services and equipment provided by the City for the event. The City may require the payment of the cost of public services including police, fire, or traffic officials in advance of the event. Adequate cleanup and sanitation must be provided by the event applicant or sponsor. Applicant or sponsor shall be liable for any costs incurred by the City for additional cleaning activity. The City may require a cash bond to cover the cost of any additional expenses including but not limited to clean-up expenses. The amount of the bond may be set by the Finance Department to reflect the potential costs of future expenses. If the bond is insufficient, the applicant and sponsor shall be liable for the actual costs to the City, including clean-up, whether conducted by public employees or private contractors.

Online Special Events Calendar

The City of Goose Creek provides a calendar of upcoming special events on the internet and on file with the City Clerk. Information from your permit application is considered public information and may be used in developing the calendar of community events. The City of Goose Creek Calendar of Special Events can be accessed on the internet at: <https://www.cityofgoosecreek.com/>

Park Events

If you plan to hold your event at a city park, it is your responsibility to contact the appropriate department or facility manager within the Parks & Recreation Department to coordinate the scheduling of your event. Special rules, regulations and restrictions unique to each site or facility may apply. Most park areas cannot be reserved for the exclusive use of one group, and access to the area by the general public must be available. Areas cannot be roped off or otherwise secured. For more information about City Parks please contact Parks and Recreation at 843.569.4242 or visit their website at: <https://www.cityofgoosecreek.com/recreation>

Duties and Conduct

The applicant or sponsor shall display the permit or carry it upon his person during the event. The organizer or person designated on this permit to carry the permit is responsible for posting conspicuous signage at the event location informing participants that open carry of firearms are prohibited during the duration of the event. No event which features businesses or organizations providing goods or services for compensation shall be issued an event permit, unless the permittee obtains a vendor's permit for each such business or organization. Each permittee must designate an individual who will be responsible for identifying all vendors and for collecting on behalf of the City all fees as directed under Section 72 Parades, Procession and other gatherings.

Open Carry of Firearms

The City of Goose Creek prohibits the open carry of firearms at permitted events taking place on public property, property owned or controlled by the City, including property the City leases, or any public street or right-of-way within the City.

City of Goose Creek Non-Discrimination Statement

The City of Goose Creek does not discriminate based on race, color, national origin, sex, religion, disability status or age in provision of services.

Liability Insurance

Liability Insurance shall be required in an amount of at least the caps in the South Carolina Tort Claims Act and shall require the execution of an agreement to indemnify the City in the event of any claims arising from the event.
