

City of Goose Creek Adopt A Goose!

Scavenger Hunt!

With the recent success of our **Adopt-A-Goose** program, word has spread across the skies and more geese have flocked to Goose Creek as their final nesting spot! They've become keen on settling around our local businesses, restaurants, and organizations throughout the City. We're unsure of where the geese have landed and need **YOUR** help in locating them. Follow the instructions below to begin the goose chase!

1. **Print out** your scavenger hunt sheet or pick a packet up at our Activity Center.
2. **Locate** all (12) geese statues across town by using the clues on your scavenger hunt sheet. Each one has a distinct name and hint to where they may have nested.
Marking your discoveries can be done through stickers or selfies. (6) geese require stickers that can be obtained by checking out the various businesses (check operating hours online before visiting) and (6) geese require selfies or photos taken with the statues to prove you found them.
3. **Return** your sheet to our Recreation Center (during operating hours) for a prize! The *first three teams* who discover all (12) geese and return their sheets with sticker and selfie proof will win a special prize.

The goose chase **begins Friday, August 18**
and runs throughout the fall season.

Questions? Contact Adam Kelly at akelly@cityofgoosecreek.com or Crystal Reed at creed@cityofgoosecreek.com. Best of luck on your scavenger hunt to find all of the goose statues!

This contest is affiliated with the City of Goose Creek's 'Adopt-a-Goose' program and each goose was hand-painted by various artists across the low-country! If your business or organization is interested in adopting your own goose, visit our website at cityofgoosecreek.com/recreation/adopt-goose for more information.
