

City of Goose Creek Traffic Calming Application Request

To request traffic calming measures, please complete this request form and return it to the City Engineer. The City Engineer will help you determine if the project is eligible, and if so, the project area and the number of signatures required to be considered. The application can be emailed to Jim Fisk at <u>ifisk@cityofgoosecreek.com</u> or dropped off at 200 Button Hall Avenue. For questions about the program please contact Jim Fisk or call (843) 824-2200.
