Paperless Billing

The City of Goose Creek is pleased to offer paperless billing to our water billing customers. Customers can receive their water bill via email to save paper and receive their bill faster. Each month when the bill is prepared, an email will be sent from waterbill@cityofgoosecreek.com with **City of Goose Creek Utility Bill** as the subject and will include a PDF attachment and a link to the payment section of our website. The emailed water bill will provide the same information that you currently see on your existing water bill.

Signing up is easy. Just complete the form and submit it via email. As long as the authorization is received no later than the 15th of the month before your billing date, your next water bill will be emailed.
