For Public Defender Work in the Municipal Court of Goose  
Creek

## REQUEST FOR PROPOSAL:

The City of Goose Creek is accepting applications for the position of a PUBLIC DEFENDER that will represent indigent parties on misdemeanor cases within Goose Creek Municipal Court.

## DUTIES:

The position of Municipal Court Public Defender would handle all approved, verified indigent, or judge recommended cases to represent and defend in the Municipal Court.

The public defender would be contacted via email as to the appointment of a new case. Police department records would be copied, and as a professional courtesy to the public defender and to lessen operating costs, the discovery/Rule 5 process of the defendant's case would begin. This information would be available as soon as possible for the public defender to review before a scheduled appointment with the defendant.

The defendant would, upon approval, be notified of the address and telephone number of the public defender and informed that they should contact them to schedule an appointment immediately. The public defender would make appearances at bench trials, pre-trials, and if requested, jury trials.

Once a case has been adjudicated (regardless of outcome), the public defender would submit an invoice to the court, and the court would confirm the charges based on the listed terms of the bid, confirm the case was closed, approve an invoice for payment, and forward the invoice for the issuance of payment.
